Specialized Reading Knowledge Bundle: English Learners

Mississippi Department of Education - **Virtual Cohort 9**

AIM Pathways is an interactive, digital, professional development platform designed to strengthen educators' knowledge and skills in the science of literacy instruction. At the end of this professional development opportunity, you will be able to draw from your specialized knowledge of the processes and skills that accelerate language and literacy proficiency for English Learners (ELs) to apply in any program model. This three-module series includes tools and resources to support immediate instructional application and features three Virtual Community of Practice(VCoP) sessions with an AIM facilitator. **Suggested pacing below with VCoPs set as listed.**
