

Word Study with Non Fiction: Predict and Clarify

Directions:

1. Note the word and the page it's on.
2. Predict each word's meaning by thinking of the topic and anything you know about it.
3. Reread the sentence that has the word in it and clarify (make really clear) our prediction.
4. Clarify the meaning of each word again after reading and talking about the text (with the class, in a conference with your teacher, or, with a reading partner).
