

NORTH MS EDUCATION CONSORTIUM

MONTHLY NEWSLETTER - SEPTEMBER 2020

INVESTING IN FUTURE EDUCATORS

For More Than 10 Years, NMEC has donated \$10,000 for a scholarship, but recently increased its investment to endowed status. Full-time Itawamba Community College students who major in education have an opportunity to apply for the scholarship, which requires the recipient to maintain a 3.0 GPA and demonstrate potential for success as well as leadership skills and opportunities that will benefit them as a teacher. They must have graduated from NMEC member school districts with a high school GPA of 3.5 or higher.

"OUR SOLE PURPOSE HERE AT NMEC IS TO HELP CHILDREN IN OUR COMMUNITIES, OUR SERVICE AREA, AND ACROSS THE ENTIRE STATE.

WE BELIEVE OUR CONTRIBUTION TO ICC IS AN INVESTMENT IN OUR YOUTH. THIS INVESTMENT IN THE EDUCATION OF ASPIRING EDUCATORS WILL IMPACT AND IMPROVE THE LIVES OF CHILDREN IN MISSISSIPPI FOR MANY YEARS TO COME"

--DR. JIMMY WEEKS, CO-DIRECTOR OF NMEC

"This increased investment is not only an investment in ICC students, but it is an investment into the future of education across the state." -- Chris Cox, Educators Rising

Continue to read our monthly newsletters for ways NMEC is investing in our future educators throughout the state by supporting other community colleges, University of Mississippi, and other educational entities.

TEACHER TIP TUESDAY

Come join teachers across the state to learn something new every Tuesday starting at 3:30PM!

This short zoom meeting each week will provide you with tips, and exciting resources to use in your classroom!
