Social-Emotional Resources

□ **Name:** Center on the Social and Emotional Foundations for Early Learning

Description: Many resources for promoting Social and Emotional Competence. Scripted Stories for Social Situations help children understand social interactions, situations, expectations, social cues, the script of unfamiliar activities, and/or social rules. As the title implies, they are brief descriptive stories that provide information regarding a social situation. When children are given information that helps them understand the expectations of a situation, their problem behavior within that situation is reduced or minimized. Book lists, training modules and training kits for staff development are also available for free on the website.
