ARP EANS: Professional Development

August 12, 2024

Impact Chaser, LLC

Dear Selection Committee Member,

Thank you for considering Impact Chaser, LLC, as a partner in your educational initiatives. We are eager to support your district with our proven expertise in elevating academic outcomes and providing comprehensive instructional consulting. Below, I have outlined the specific scope of services we will provide, along with detailed information on our experience, approach, and fee structure.

Scope of Services

1. Job-Embedded Professional Development:

Impact Chaser, LLC, will deliver tailored, job-embedded professional development for instructional staff across all subjects and grades. Our approach includes:

Instructional Coaching: We will provide one-on-one and group coaching sessions focused on enhancing instructional strategies, specifically for inclusion students. Our coaches will work directly with teachers during their planning periods and classroom instruction times to ensure real-time feedback and immediate application of best practices.

Data Coaching: We will guide teachers in analyzing student performance data to inform instruction. This includes training on identifying trends, setting measurable goals, and adjusting instruction to meet the needs of diverse learners.

Assessment Coaching: Our team will support teachers in developing and utilizing formative and summative assessments that accurately measure student learning and guide future instruction.

Lesson Planning and Modeling: We will assist teachers in creating effective lesson plans that incorporate differentiation and scaffolding. Additionally, our coaches will model lessons in the classroom to demonstrate best practices in real-world settings.

Differentiated Instruction: We will work with instructional staff to customize teaching methods and materials to meet the diverse needs of students, ensuring that all learners have access to the curriculum.

Resource Identification and Utilization: Our team will help teachers identify and effectively use a variety of instructional resources, including technology, to enhance student learning.

2. Professional Development Workshops:

Impact Chaser, LLC, will conduct workshops designed to build teacher capacity in critical areas, including:

Collaboration: We will facilitate sessions on effective teacher collaboration, promoting a culture of continuous improvement and shared responsibility for student success.

Research-Based Reading Strategies: Our workshops will focus on evidence-based reading instruction techniques that can be applied across grade levels to improve literacy outcomes.

Classroom Management: We will provide training on classroom management strategies that create a positive learning environment and support student engagement.

3. Data-Driven Instructional Leadership:

We will build the capacity of teachers and administrators to use data effectively in guiding instruction at both the grade and student levels. This includes:

Model Analysis: Our team will assist in the analysis of assessment data and other performance indicators to inform instructional planning and decision-making.

Guided Instructional Planning: We will support teachers in using data to design and implement instruction that meets the specific needs of their students.

4. Differentiation of Instruction:

Impact Chaser, LLC, will assist teachers in differentiating classroom instruction based on both whole-grade performance and individual student needs. This will include personalized support in

creating and implementing differentiated lessons that accommodate varying learning styles and abilities.

5. Leadership Support:

Our team will provide ongoing leadership support to administrators and school officials. This includes strategic planning, data analysis, and guidance on instructional leadership to ensure a cohesive approach to improving academic outcomes.

6. ACT Preparation Services:

In addition to our instructional consulting and professional development services, Impact Chaser, LLC, offers specialized ACT preparation services designed to increase student achievement on this critical assessment. Our ACT Prep services include:

Mastering the ACT Workshops: We will conduct intensive workshops focused on key content areas of the ACT—English, Math, Reading, and Science. These workshops will include strategies for test-taking, time management, and critical thinking.

ACT Practice Tests and Analysis: Students will have access to practice tests that simulate the actual ACT testing experience. Our team will analyze the results of these practice tests to identify strengths and areas for improvement, guiding targeted instruction to boost scores.

Bellringers for ACT Preparation: We will provide 180 days of bellringers across all subjects, specifically designed to reinforce the skills necessary for ACT success. These bellringers will be used to start each class, ensuring that students are consistently practicing the types of questions and problems they will encounter on the ACT.

ACT Prep Bootcamp:

Our ACT Prep Bootcamp is an intensive, 6-8 hour, engaging and interactive session designed to give students the tools they need to significantly boost their ACT scores in just one session. Utilizing our comprehensive "Mastering the ACT" book, this bootcamp provides a deep dive into the critical components of the ACT, including English, Math, Reading, and Science.

Students will participate in a dynamic mix of instruction, hands-on practice, and interactive activities that reinforce key strategies for tackling each section of the exam. Through targeted practice questions, real-time feedback, and collaborative problem-solving, students gain the confidence and skills necessary to excel.

In just one session, many students experience noticeable improvements in their ACT practice scores, thanks to the focused, results-driven approach of the bootcamp. Our experienced instructors create a supportive learning environment where students can ask questions, work through challenges, and master the test-taking strategies that lead to success on the ACT.

This bootcamp is ideal for districts that desire their students to make significant gains in their ACT scores, whether they are preparing for their first attempt or aiming to improve their previous results.

7. Additional Professional Development:

We are prepared to offer any additional professional development identified by the district to address learning loss and improve student achievement. This may include targeted interventions, specialized training, or customized support based on the unique needs of your district.

Proven Impact

Impact Chaser, LLC, has a proven track record of success in improving academic outcomes. In districts where we have implemented our services, we have seen schools grow from Level 3 to Level 5 in just one year, with a 10% increase in overall student performance. Our experience in Mississippi, Tennessee, and North Carolina particularly with schools facing similar challenges, makes us uniquely qualified to deliver the results you seek.

Experience

1. Educational Consulting: Over twenty years of providing consultancy to school districts in Mississippi Greenville Public School District, The Goodwill Excel Center, and Cleveland School District focusing on improving academic outcomes, strategic planning, and operational efficiency.
2. Professional Development and Coaching: Our team has conducted numerous professional development workshops and coaching sessions, equipping educators with research-based instructional practices. As a result, we have seen significant improvements in student outcomes and a high percentage of teachers retained and remaining at their schools.
3. Policy Implementation: Assisting districts with the interpretation and implementation of state and federal education policies, ensuring compliance and maximizing funding opportunities.

Evidence of Effectiveness/ Protected/Proprietary Information:

1. Improved Academic Performance: Districts receiving our services have reported significant improvements in standardized test scores and overall student performance. Those districts include Greenville Public School District, Western Line School District, and Cleveland School District.
2. Increased Graduation Rates: Targeted interventions have led to noticeable increases in graduation rates in several districts.
3. Enhanced Teacher Effectiveness: Professional development programs have resulted in higher teacher retention rates and improved classroom effectiveness as measured by teacher evaluations and student feedback.
4. Improved ACT Scores: Student Performance Data: We have documented significant improvements in ACT scores among students who participated in our ACT prep programs. For example, in the 2023-2024 school year, students at The Goodwill Excel Center grew from a Level 3 school to a Level 4 score for the 2023-2024 and 2024-2025 SY who completed our ACT prep Bootcamp. Additionally, Sampson County School District in North Carolina had a 10% increase of their ACT scores from 2 Bootcamps.
